SCHOLARSHIP INFORMATION

Partial scholarships are offered based on the student's financial need and merit. While we do not require parent income tax forms to prove financial need, we do ask that you answer all financial need questions in the scholarship application with integrity. Our goal with offering partial scholarships is to provide this unique educational opportunity to underprivileged and underserved students who may otherwise not be able to participate.

As a guide, scholarships are given to students of families with a household financial experience that includes but is not limited to: unemployment or underemployment, receipt of government assistance (food stamps & healthcare), no access to savings, very little expendable income, unstable or subsidized housing, or inability to take time off from work without financial burden.

You will be asked to provide the following for your scholarship application:

1. **Your high school transcript.**
2. **Two letters of recommendation.**
 - a. One must be from a teacher you've known for six months or longer.
 - b. The second can be from a teacher, school administrator, work supervisor, or other leader in your community whom you've known for at least six months.
3. **A letter outlining the following:**
 - a. Why you're a good candidate to receive a scholarship that is based on financial need and merit.
 - b. The exact dollar amount your family can contribute toward the full program cost.
 - c. Details of any previous financial assistance you've received in the past toward school tuition and any other academic or personal development programs.
 - d. Any other relevant details to support your financial need.
4. **A 500-word essay** that describes why you want to participate in the program and how you believe it will benefit your long-term goals.

Scholarship applications are due by March 15.

Check here if you would like to be considered for a scholarship.

If you check yes, you will receive an email outlining all requirements for the application. Your deposit will also be waived.
