## WHY THE STARLINE PROGRAM?

Our prime objective is to enhance your children's education by providing an ultimate cultural experience that combines travel and personal development.

## NOT YOUR USUAL SUMMER CAMP NOR EDUCATIONAL TOUR!

This is an intercultural support program for those who want to develop educationally and personally whilst discovering Europe!

A 6-MONTH EDUCATIONAL PROGRAM, **FEATURING A 30-DAY SUMMER STAY IN EUROPE**, TAILORED FOR HIGH-SCHOOLERS WITH AN EMPHASIS ON PERSONAL DEVELOPMENT.

# HOW DOES THIS CULTURAL AND EDUCATIONAL SUMMER PROGRAM IMPACT YOUNG PEOPLE POSITIVELY?

allow your children to **explore how many study and professional paths there are.**

give your children something to **add to their resume** which will truly make them **stand out from the crowd.**

have a great impact on your **children's education** and **future** by opening their **eyes to the world.**

## ENGLAND

*Day 1 to 18*

The students will stay in the cozy and green County of Berkshire, in a town called Newbury with beautiful river views. They will get to know their cohort, group leaders and coaches, spending several days travelling to famous British cities and landmarks in Oxford, Stratford-Upon-Avon and London, tasting the famous British dish 'fish and chips'.

## FRANCE

*Day 9 to 18 & Day 28 to 30*

The students will take in the incredible sights of Paris, Lyon and the beautiful tiny villages of the Eastern French countryside whilst indulging in gastronomic delights. They will visit famous landmarks and take a fantastic workshop on how to make traditional French-style baked goodies!

## GERMANY

*Day 19 to 21*

The students travel to Germany and spend a thrilling day out at Europa Theme Park and visit the historic city of Freiburg, situated amongst the highlands in the Black Forest.

## ITALY

*Day 24 to 27*

The students head to Milan to visit the sights and learn about the famous fashion factories situated here; in the evening there's even chance to join a pasta-making class. Fantastico!

## SWITZERLAND

*DAY 22 & 23*

The students stay in Geneva and enjoy the incredible lake looking across the Alps and Jura mountains – they will have the opportunity to take part in recap sessions of the entire Starline personal development program.

## WHAT DOES THE STARLINE **PERSONAL DEVELOPMENT** PROGRAM ENTAIL?

When we say it's not a summer camp, we really mean it's not a summer camp, nor an educational tour! A unique feature of Starline is the opportunity to **participate in a tailor-made life skills curriculum offered exclusively for students on the program**. Facilitated by two of Europe's top executive coaches, Ingela Harmsen and Christophe Sugny, this portion of the Starline journey is what makes the program like no other.

## HOW IS **INTERCULTURAL SUPPORT** INVOLVED?

Navigating bridges for enhanced understanding; students will be visiting no less than 5 countries, which will undoubtedly afford them a culturally enriching experience!

We want our high schoolers to **gain valuable insights into cultural nuances, enhance their intercultural communication skills, and develop a more profound appreciation for diversity.**

Within our program, we first define culture as a dynamic concept. We then equip participants with skills to navigate differences, deconstruct stereotypes, and actively engage in meaningful intercultural dialogue.

## OPTIONAL STARLINE LANGUAGE LESSONS

While the Starline Program is more focused on **cultural experiences and personal development** rather than the student's linguistic journey, we still want them to have access to **languages** so they are well-equipped to explore each country we visit.

This is why we will be offering **FREE opt-in language lessons and workshops** during the program, ran by our amazing team of language coaches.

Our language school is backed by 23 years of language coaching. **Our director Nathalie was even quoted 'one inspirational teacher'** by UK newspaper 'The Independent'!

Bonjour!

Ciao!

Hallo!

## PARENTS' KIND WORDS

"I recommend 100%!

If you're keen for your child to discover Europe, simply speak to VICI. They are a super professional and competent company on a human scale. My daughter came back so enthusiastic about her stay. Everything was perfect; the organization, the lessons, the accommodation and cultural visits! They care a great deal and that makes a huge difference."

**-Stephanie (Juliet's Mum)**

"My children are aged 16 and 18 have weekly language classes with VICI.

My son has just returned from an immersion programme organised by the team. First request upon his return? Going back next year! That speaks volumes on the quality of his stay. Thanks to Nathalie and the whole VICI team, we'll see you again!"
